✦ Experienced Paddlers Only
♿ Access with assistance
ADA ♿ ADA Compliant Launch

On a winter day in 2009, more than 50 paddlers attended a kick off party for an exciting new club. Joined by a common interest in paddling, environmental awareness, and friendship, the Northwest Indiana Paddling Association was formed.

Today the Northwest Indiana Paddling Association (NWIPA) offers its more than 500 members—as well as the general public—opportunities to support, enhance and enjoy paddling at the southern tip of Lake Michigan.

Join NWIPA to:

- Find paddling opportunities and Partners;
- Join club events to explore new waterways;
- Learn to paddle, or improve skills at NWIPA classes;
- Find friends interested in canoeing, kayaking, and the Outdoors;
- Enjoy paddling and conserving our wonderful waterways!

As a NWIPA member, you'll:

- Help promote paddlesport knowledge and safety;
- Provide safe paddling opportunities to children in under-served communities;
- Support environmental and outdoor recreation education;
- Develop and protect waterways through clean-up, stewardship and advocacy efforts.

Get out on the water:

Join us! Visit NWIPA online at **www.nwipa.org** or email: membership@nwipa.org
